

## AVAILABLE MODELS

512471 **SOLON Compost System:**  
Flush-mount or drop-in installation  
Made of high grade stainless steel

## FEATURES AND BENEFITS

- BLANCO's award-winning SOLON™ Compost System doubles as both a practical waste storage compartment and as an easy to use tool for composting.
- Made from the highest grade recycled stainless steel, SOLON effortlessly collects organic waste below the counter and its stunning design allows homeowners to beautifully incorporate green living into their kitchen.
- Winner of the prestigious international **iF award** for product design, SOLON installs conveniently next to sinks and its minimalist, elegant style makes it suited to any decor.
- BLANCO SOLON™ Compost System traps odors inside and integrates seamlessly with the counter.
- Easy-to-clean and dishwasher safe.
- Lid designed to keep odors out of the kitchen.
- CAPACITY - 7 Liters / 1.8 Gallons  
PRODUCT INCLUDES frame, 7 litre (1.8 Gallon) bin with handle, and lid.
- Simple to clean and dishwasher safe, BLANCO SOLON fits into any countertop with a virtually seamless appearance.

## NOMINAL DIMENSIONS

Drop-in installation

Flush-mounted installation

\* Cut-out dimension for inset installation requires the use of DXF files; consult your fabricator.
